Activity overview

The Indoor Playground Risk Management Plan contains the specific risks, control measures and grading’s for this activity, as well as the grading’s of all general risks relevant for all UPCC activities.

Risk register

Risk description	Existing control measures	Likelihood	Consequence	Risk rating
Slip – Trip – Fall Caused by inappropriate behaviour, misuse	• Shoes must be removed • Care should be taken at all times • Playground equipment should be used for its intended purpose and not to be misused • Vigilant supervision is required • Rules are clearly displayed	Possible	Minor	Satisfactory
Cutting/Scratching From equipment, foreign objects, etc.	• Participants are not to bring any other equipment into the playground area • Participants are encouraged to wear long pants and a long sleeved top	Unlikely	Minor	Satisfactory
Striking Injury caused by contact with equipment or persons	• Participants are to be aware of others using the playground • Participants are to keep certain areas clear ie. base of the slide	Unlikely	Minor	Satisfactory
Equipment / Structure failure	• Inspections of the playground structure are completed regularly • If structure is unsafe the equipment is not to be used until the issue has been rectified	Rare	Moderate	Satisfactory

Likelihood and consequence matrix

Likelihood \ Consequence	Insignificant	Minor	Moderate	Major	Catastrophic
Almost certain	**Medium**	**High**	**High**	**Extreme**	**Extreme**
Likely	**Medium**	**Medium**	**High**	**Extreme**	**Extreme**
Possible	**Low**	**Medium** • Slip – Trip – FallCaused by inappropriate behaviour, misuse	**Medium**	**High**	**Extreme**
Unlikely	**Low**	**Low** • Cutting/ScratchingFrom equipment, foreign objects, etc. • StrikingInjury caused by contact with equipment or persons	**Medium**	**High**	**High**
Rare	**Low**	**Low**	**Medium** • Equipment / Structure failure	**Medium**	**High**

Likelihood and consequence matrix

Emergency procedures

Follow site emergency procedures. Stop the activity if unsafe, administer first aid, and notify camp staff immediately.

Review

Review this plan before each use and after incidents or near misses. Original PDF retained as version history / archive file.
