Activity overview

The Tennis Court Risk Management Plan contains the specific risks, control measures and grading's for this activity, as well as the grading's of all general risks relevant for all UPCC activities. Please refer to the General Activity Hazards – Risk Management Plan for a list of general risks and control measures relevant for all UPCC activities.

Risk register

Risk description	Existing control measures	Likelihood	Consequence	Risk rating
Slip – Trip – Fall	• Court surface must be in good condition, free of obstruction & loose objects • Equipment left inside the fence that poses a danger to people must be removed • Net & supports must be in good condition	Possible	Minor	Satisfactory
Structure Failure	• Inspection of the tennis court area is completed by site staff before each group arrives • If any part of the tennis court area is unsafe it is to be closed off until appropriate action has been taken	Rare	Moderate	Satisfactory
Equipment Failure	• Inspection of Tennis Rackets and Balls is completed by site staff before each group arrives • If any piece of equipment is deemed unsafe it is to be removed, repaired or replaced.	Rare	Moderate	Satisfactory
Injury to spectators	• Spectators & non-participating players are to instructed to remain outside the court area during play	Possible	Minor	Satisfactory

Likelihood and consequence matrix

Likelihood \ Consequence	Insignificant	Minor	Moderate	Major	Catastrophic
Almost certain	**Medium**	**High**	**High**	**Extreme**	**Extreme**
Likely	**Medium**	**Medium**	**High**	**Extreme**	**Extreme**
Possible	**Low**	**Medium** • Slip – Trip – Fall • Injury to spectators	**Medium**	**High**	**Extreme**
Unlikely	**Low**	**Low**	**Medium**	**High**	**High**
Rare	**Low**	**Low**	**Medium** • Structure Failure • Equipment Failure	**Medium**	**High**

Likelihood and consequence matrix

Emergency procedures

Follow site emergency procedures. Stop the activity if unsafe, administer first aid, and notify camp staff immediately.

Review

Review this plan before each use and after incidents or near misses. Original PDF retained as version history / archive file.
